FOREWORD

The editors of this Edisonian, in attempting to produce a colorful and accurate chronicle of our years at Edison, have chosen the design and theme of this book to represent Edison as we have known it.

We hope you who read this annual will find as much pleasure and satisfaction in reading it as we have found in producing it. We are proud of the craftsmanship demonstrated here, for it is a product throughout of our own shops, with the sole exception of the binding.

DEDICATION

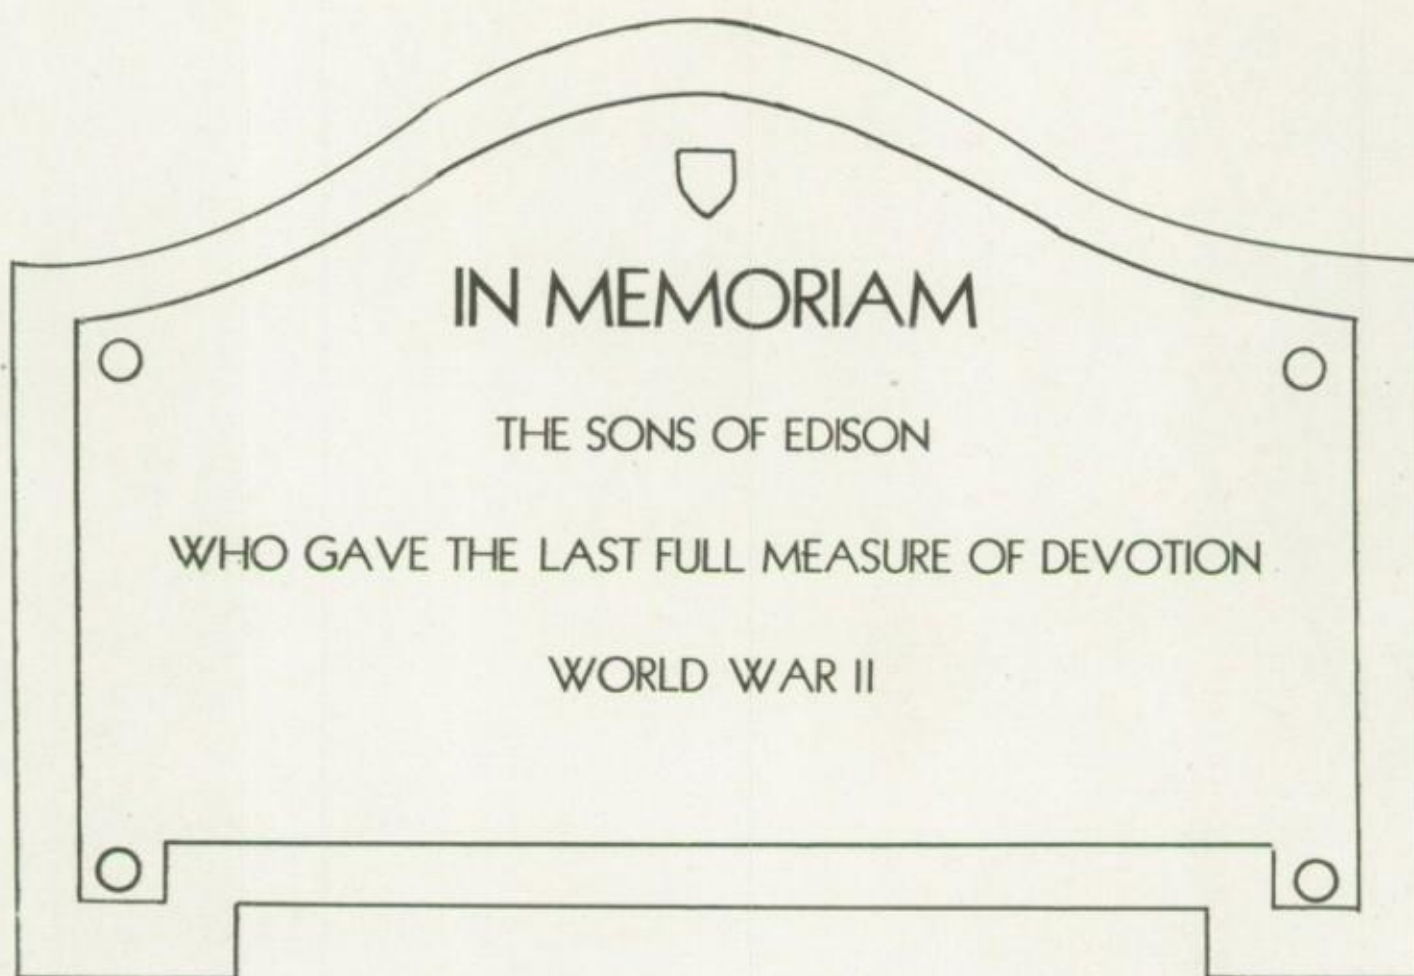

MR. CHARLES W. CAMERON

We the graduating class of 1951 wish to dedicate this annual to Mr. Charles Cameron, teacher and friend of many Edison boys.

During his entire teaching career of over twenty-four years devoted to service at Edison, he has taught many subjects. Educated at Lima Seminary and Syracuse University, Mr. Cameron has continued his post-graduate studies at several other universities.

Although active in teachers organizations and lodge work, he has also found time to follow the hobbies of selling and bowling and to maintain an active interest in all sports. Before long Mr. Cameron hopes to be able to retire and go to Florida to live.

We salute you, Mr. Charles Cameron, and may our best wishes go with you always.

MEMORIAL

We would like to set aside a special portion of our book in honor of the Techmen who are serving their country, especially those who have given their lives. We hope you who read this book will pause a moment to think about these friends of ours.

IN RETROSPECT

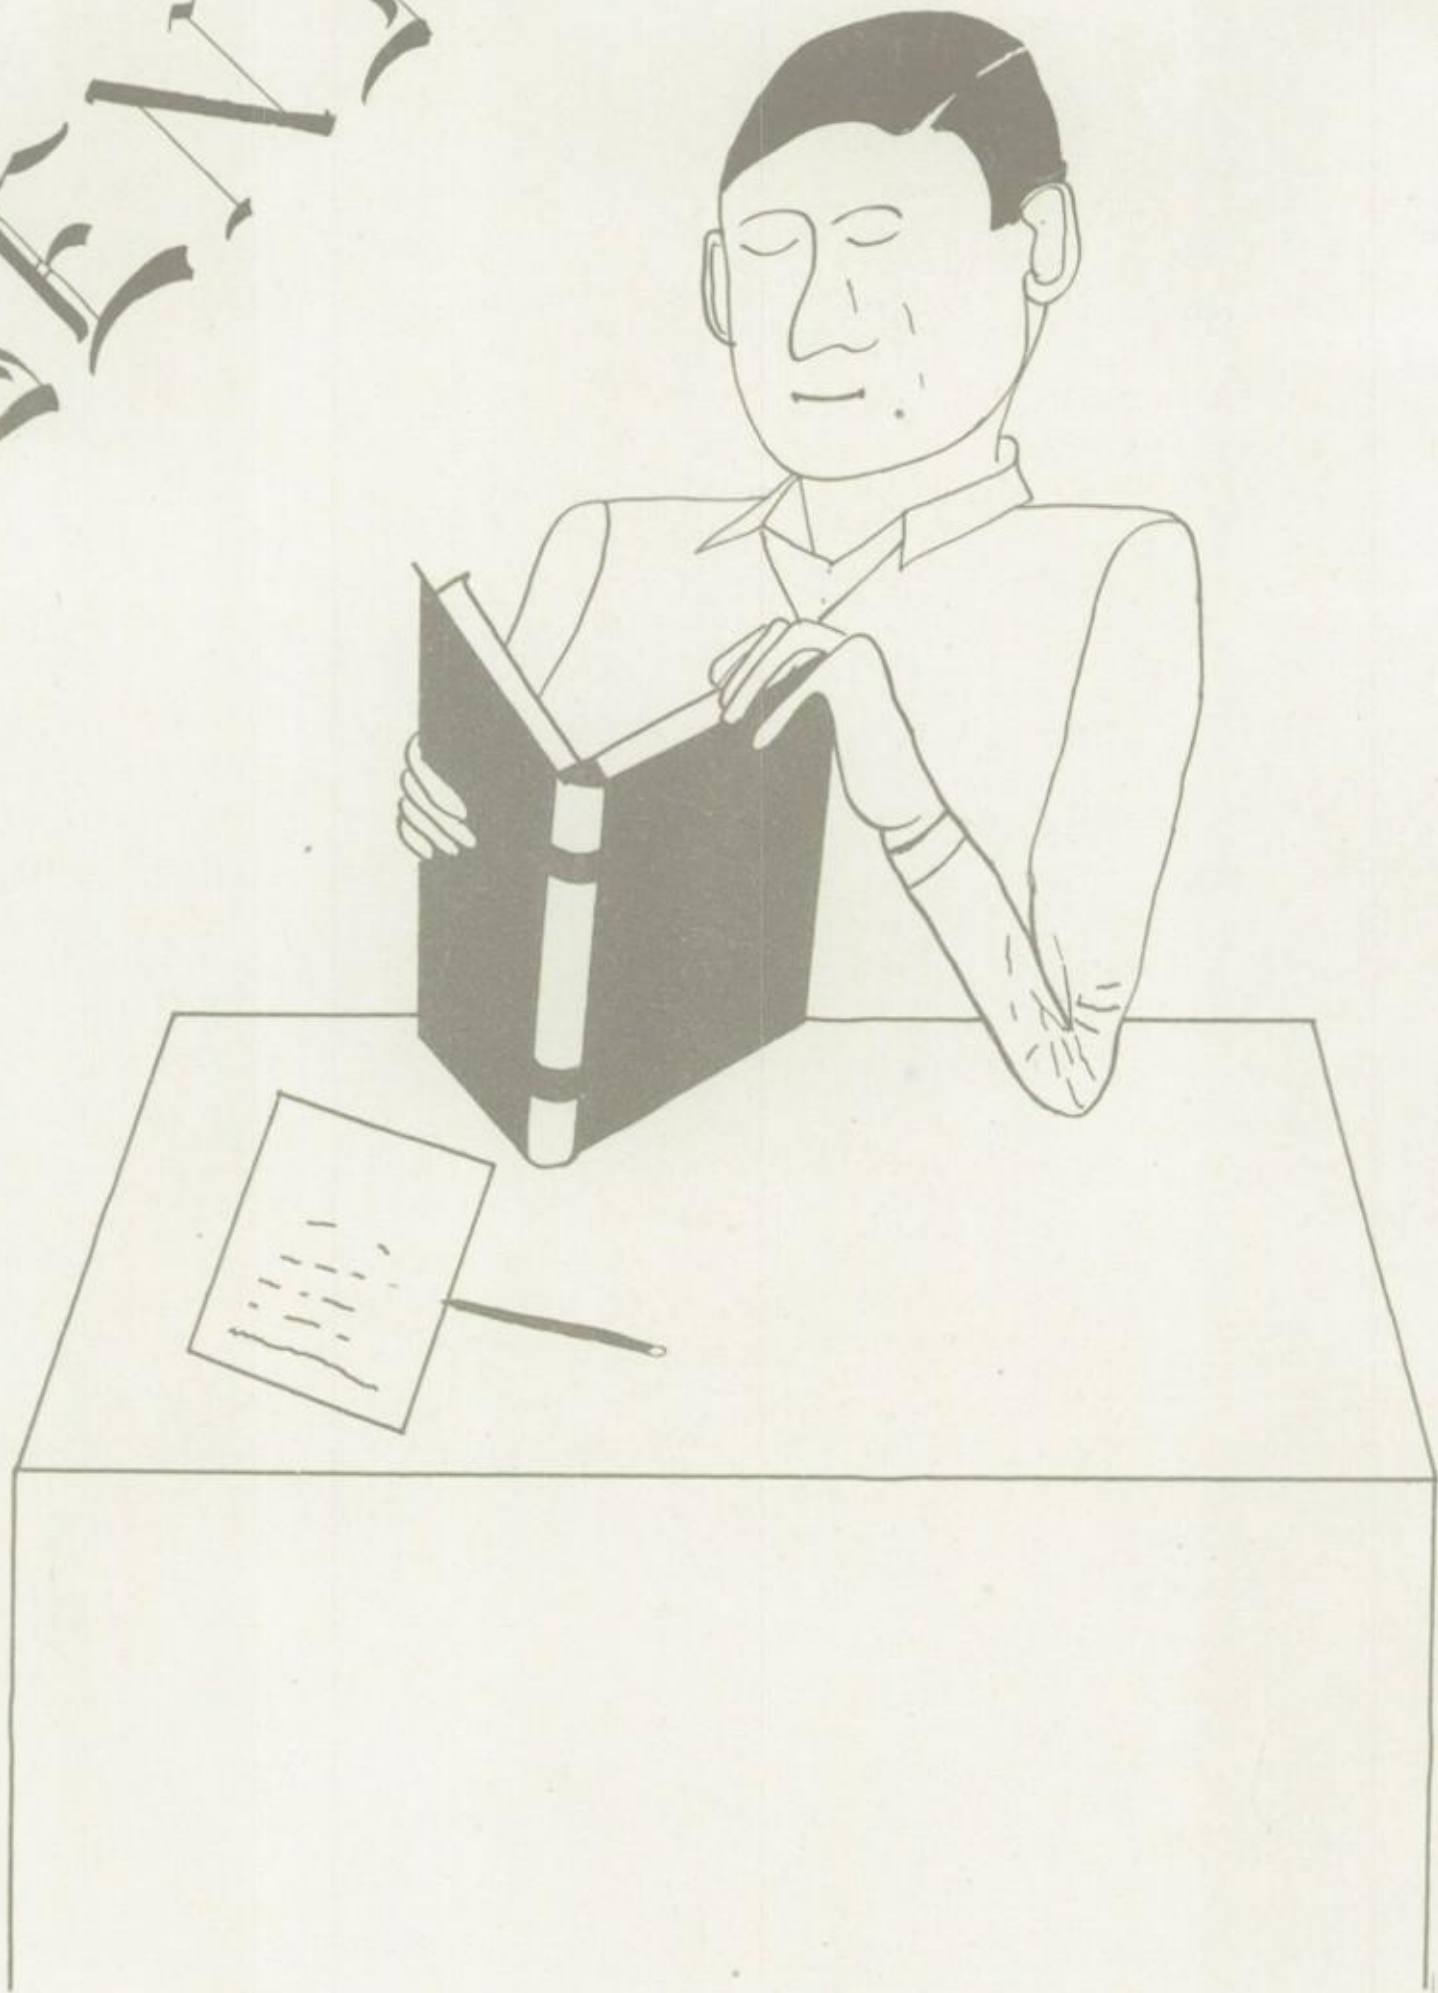

It seems that only three and a half years ago we, two hundred and sixty-five strong, came marching through the portals of Edison Tech - the school which was to be our home for the best four years of our lives .

We remember distinctly our freshman year. It was then that we first had the "honor" of joining the S. A. C., and of having a social chat with Mr. Coe. We were proud to be members of a school whose sports activities were so well known. That year Tech athletes suffered only one loss in football, took second place in crosscountry, and were the Interscholastic Champions in bowling, wrestling, and track.

During our sophomore and junior years we continued to fight and win many additional honors. These years saw the development of the individual champions of today, in both athletics and scholarship. It was then that we were introduced to the plans which, if properly executed, would enable us to spend a few moments each period enjoying a smoke or a cup of coffee. Unfortunately, this was the exception rather than the rule and the majority had to be satisfied with swiping lunches and throwing erasers in our classes.

Now, as seniors on the threshold of graduation we look back upon these acts as foolish and unnecessary. We find ourselves faced with a possible World War III and a grave realization that soon, many of our fellow classmates may be our fellow servicemen on the battlefields of the world. Taxing our optimistic viewpoints to the limit, we are looking forward to a better world free from worry and strife, and we leave but three short words to the students remaining, "Do your best!"

Edison's 1950 football team finished its season with a heartbreaking loss to East High, 18-13, after a gallant fight which lasted up until the last minutes of the game. Edison went into the fourth quarter on the short end of an 18-7 score. Tech scored on an 82 yard pass-play and then proceeded to make good on an outside kick. After the ball was brought to East's 30 yard line, Jack Williams intercepted a pass, and the game ended with East High in possession of the ball.

Mr. Benz was proud of his team and their spirit and also because they had enough guts to come back after two loses to obtain a .500 season average.

"The team was one of the most spirited I have ever coached," said Mr. Benz, and he is sure Edison will have a good team next year.

Only one win against seventeen defeats was the record of the 1950-51 Tech court squad. However, Coach McClumpha does find some consolation in the fact that most of this year's team will be back and much improved next year. This, plus the fact that the reserves had a very good season, makes the outlook for next year much brighter.

This year's team lacked both experience and height. Although the record doesn't show it, the team improved greatly toward the end of the season.

Coach McClumpha's spirits are high because only Ronald Kiefer, Paul Perdue, and Joe Vieira will be lost by graduation.

Although Tech's team didn't win all of the games, there was a great deal of individual talent displayed and with a few more breaks they might have had a better season.

George Galen was signed for a contract with the Chicago White Sox just after graduation.

SOCCER

With only five starters held over from last year, Tech's soccer team had a very good season. The team under the direction of Bob Lewellyn and Lee Stewart came through the year with three wins, one tie, and four losses, ending up in fourth place. Gordon-Smith led the scoring for Tech followed by Howie Mirch, Bob Brown, Bob Lewellyn, Lee Stewart, and Bill Howe.

Our ace coach Mr. Spiotti, is looking forward to a much better season next year, and he is losing only five starters.

CROSS COUNTRY

CROSS COUNTRY

Another fine year of running was turned out by our cross country team. After getting off to a bad start with losses to East and Madison, the team upset Monroe and beat Franklin. The next stop was Geneva and the sectionals where they were beaten by one point by Brighton 97-98.

Leading runners for the Tech team were: Joe Paris, who was all-scholastic; Norm Bufford; Dick Taylor; George Stephenson; Norb Minch; John Perkins; and Jim Veomett. With only Taylor and Veomett gone the team still looks in good shape for next year because the reserves have runners coming up fast. Lead by Bill Camp, the reserves champ, they took second place. Other leading runners were Norm Lewandoski; Joe Muga-vero; Bob Morton and Bob Pixley.

SWIMMING

Edison, Monroe, and West ended this season in a tie for second place Edison lost a hard fought meet to Monroe and then was defeated by Marshall for Marshall's 101st straight win.

In spite of the loss of three very good swimmers, Ralph Lucht, Bob Kesel and Tom Donovan, Edison came up with a fairly good team. Spurred on by Bonnett, Lane, MacLaughlin, Ventura, Veomett, and Osborne the team completed one of its best seasons in its school's history. A lot of this credit is due to Mr. James's fine coaching.

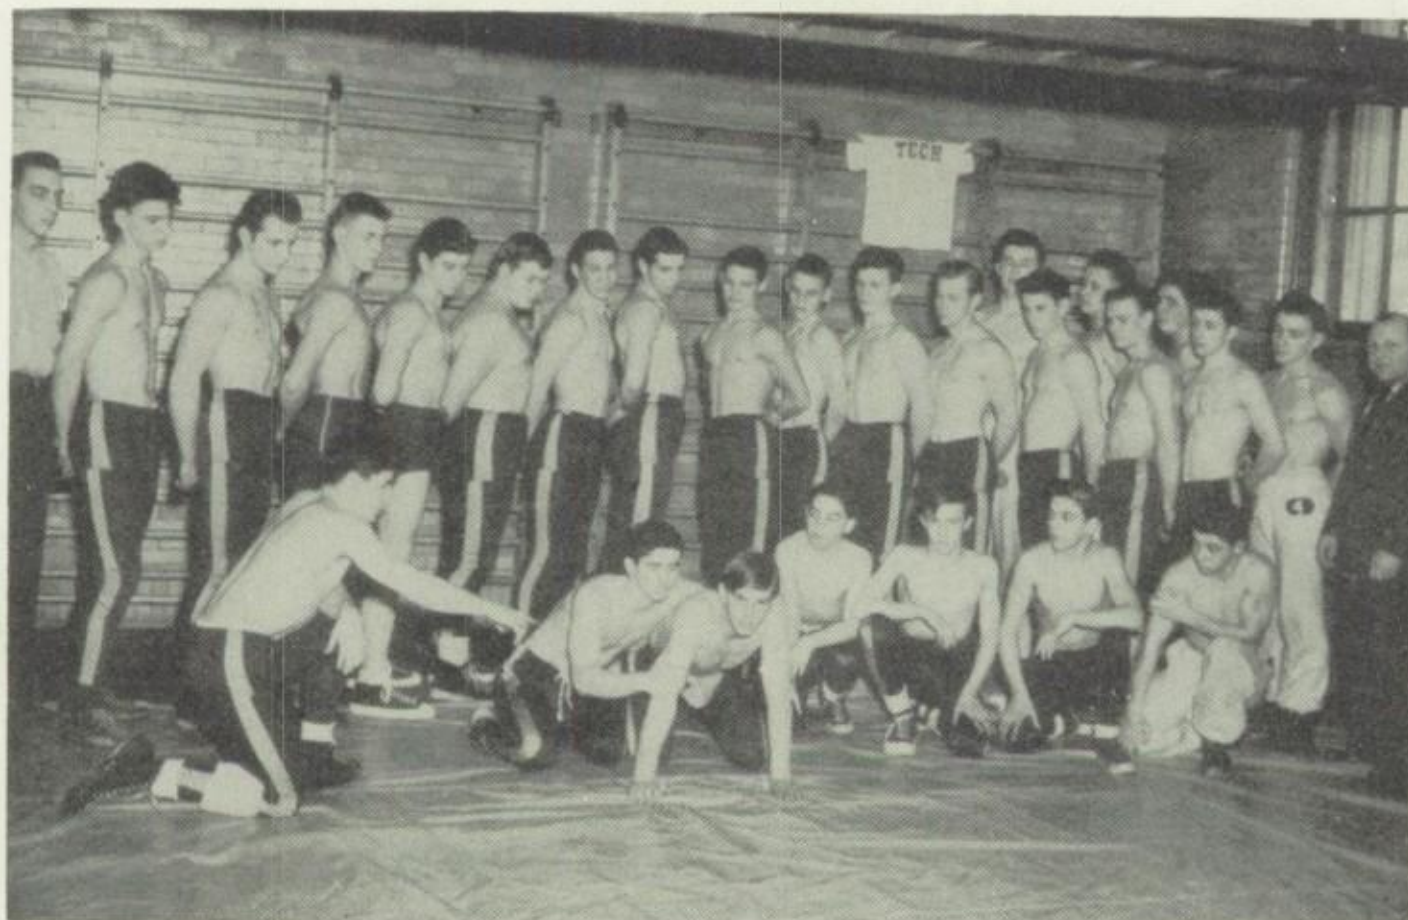

Next year's team will have a strong nucleus around which to build a good team even with the graduation of John Ventura, Jim Veomett, Paul Braun, Charles Doyle, and Howard Beye.

Front Row: W. Howe, W. Scally, W. Egan, P. McElligott, D. Hoepfl, D. Webber, W. Rogers.

WRESTLING

Although this year's team was not too successful in winning, it was successful in developing good prospects for the coming years. The ninth and tenth grade standouts were: Pat McElligott, William Wallock, Robert Kohlmaier, Walt Gay, Ken Wurzer, Dan Weber, Ken Becker, and Edward Nichols.

This year's edition of Edison's wrestling team loses only three seniors: Bill Howe, Bill Scally, and Bob Reddy. These fellows had fine seasons and will be greatly missed. Bill Howe was captain and did a fine job of keeping up a fighting spirit despite a rather poor season.

BOWLING

BOWLING

Another fine year of bowling was turned in by the Edison keglers. The Edison II team, having 37 wins and 11 losses, finished in second place. Franklin won the title with 43 wins and 5 losses. Edison I team finished in sixth place while the Edison III team took seventh place. The III team took over after Madison dropped out of the league. The Tech bowlers who averaged 150 or better were; A. Andressi 158, R. Graus 153, N. Boufford 152, and E. Wheeler 151. The captains of the teams were; A. Alletzhauser of Edison II, F. Pusateri of Edison I and C. Gfeller of Edison III. All in all, the three Edison teams had a fine season.

TENNIS TEAM

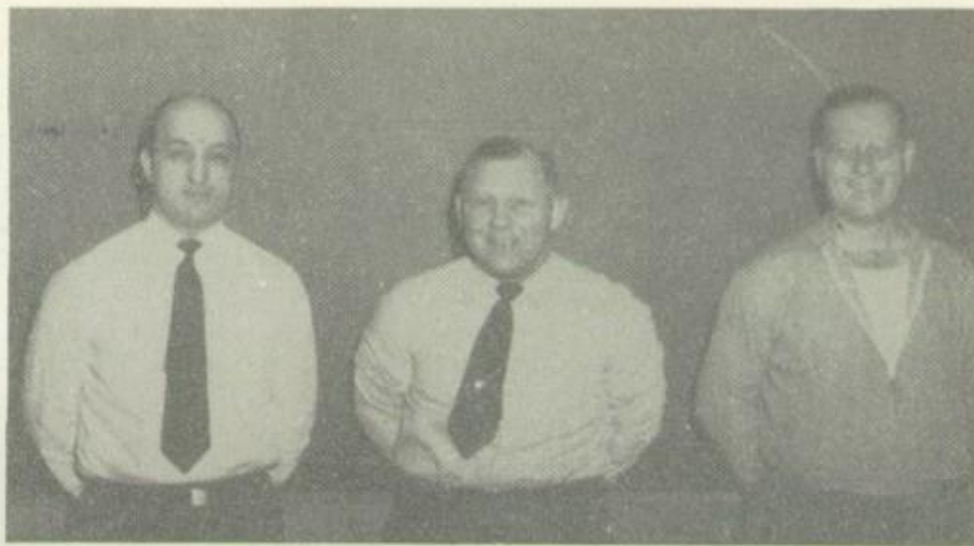

During the 1950 tennis season our team did well and most of the other schools were quite well aware of Edison's entry. Although we did not finish in first place we did have an entry in the interscholastic meet in June. Tom Donovan reached the semi-finals to lose a close match to the interscholastic champion from Marshall

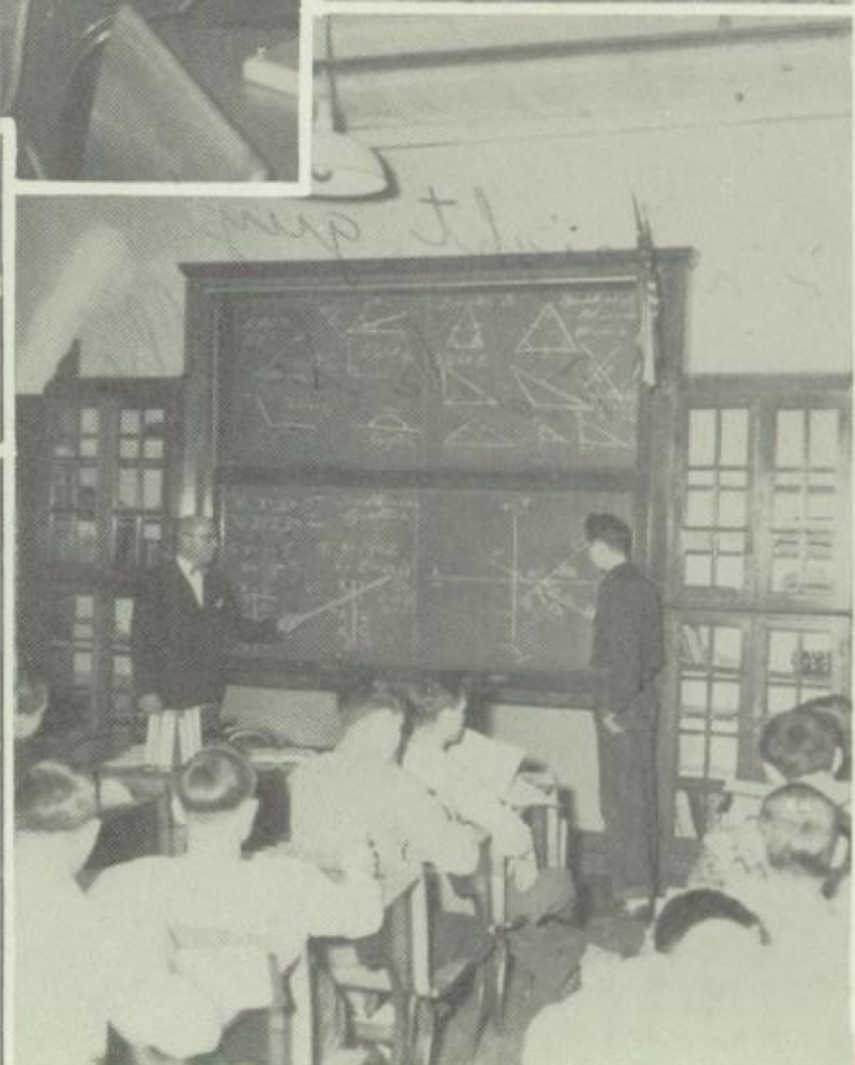

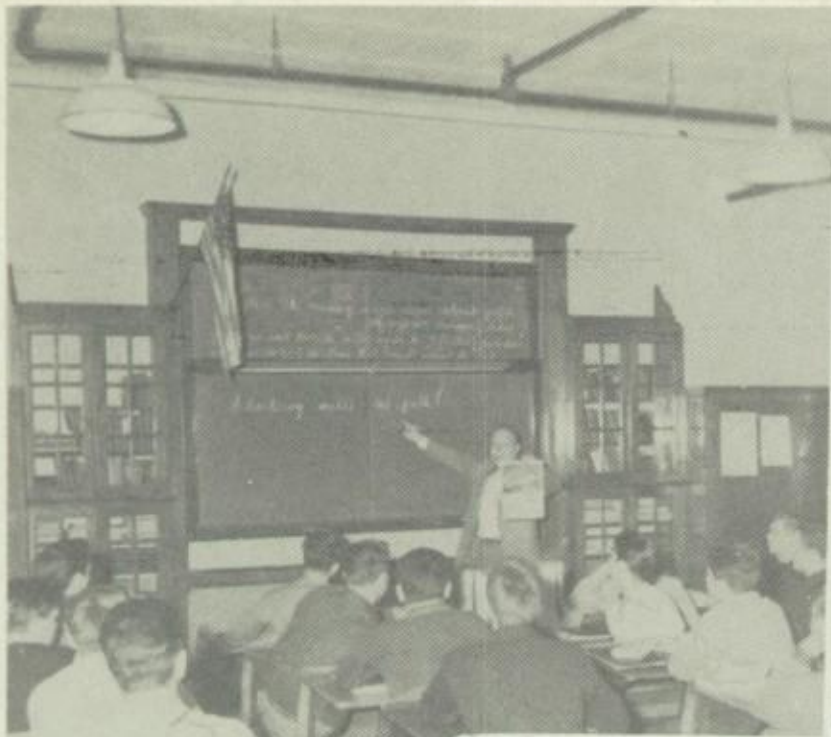

Sportsmanship ran high during the 1950 season and win, lose, or draw the team may be counted on to show up well again this year.
